

Dear Parents

Summer holidays have started.

It is time to visit places, visit maternal or paternal grandparents.

It is time when child will spend his/her entire time with you.

We, as teachers, and you, as parents, work together hand in hand to ensure holistic development of our child.

Kindly reinforce the following in your child during holidays:

1. Encourage the child to wish 'Good Morning' and 'Good Night' to everybody.
2. Motivate the child to use polite words such as 'Please, Thank You, Sorry, May I'.
3. Talk respectfully with the child and encourage her/him to do the same.
4. Make sure the child brushes his/her teeth twice a day, morning and before going to bed at night.
5. Encourage the child to speak simple sentences beginning with the words I, my, he, she.
I am a girl /boy, My name is He loves to play, She likes to eat ice cream.
6. Play with the child asking him /her to touch the objects starting with the letter you call out.
7. Help your child to create patterns as standing and sleeping lines with the help of clay dough.
8. Give clay dough to make a ball, a circle, a triangle etc.
9. Use terms big/small and tall/short in daily routine like give me big potato or small plate, that tree is tall or short, etc.
10. Take child to park, while walking or playing talk to them about children playing in the park, emphasizing on the term boy/girl.
11. Take the child to the market and show them fruits we eat during summer season such as mangoes, watermelon, muskmelon, litchis, jamun, etc.
12. Play the game "I can touch". Ask the child to touch his/her legs and say "I can touch my legs". Do the same with different body parts.
13. Recite all the rhymes done so far with actions and voice modulation.

Holidays are great, but school work can be fun filled and inspiring too! As the school closes for the summer break we have planned some worksheets which are attached with this note. This will help the child to practice and brush up his/her writing skills and recapitulate what was done in school. Do make sure that child does the homework on his/her own, under your valuable guidance.

Have a nice and happy Summer Vacation!

The Thirsty Crow

A crow was very thirsty. He was looking for water. He saw a pot of water in the garden. There was a little water in the pot. He picked up some pebbles and dropped them into the pot. The water came up. The crow drank the water and flew away happily.

Moral: Where there is a will, there is a way.
