Dear Parents,

Warm Greetings!!

Its SUMMER TIME again! Use Summer Vacation as an opportunity to spend quality time together. Let your child take the lead and use his/her imagination, creativity and knowledge to do the assigned task. - Wash his/her hands before and after meal.
- Switch off the lights before leaving the room.
- Keep his/her things at the proper place.
- Wear his/her shoes and socks by himself or herself.
- Motivate the child to use polite words such as 'Please, Thank You, Sorry, May I'.
- Wish 'Good Morning and 'Good Night' to their parents and elders.

- Play with the child asking him /her to touch the objects starting with the letter you call out.
- Play the game "I can touch". Ask the child to touch his/her legs and say "I can touch my legs". Do the same with different body parts.
- Recite all the rhymes done so far with actions and voice modulation.

(For the Parents)

Reading is Fun

Children are made readers on the laps of their parents.

- Make reading a regular practice with pictures and large text.
- Make bed-time stories a part of your child's daily routine.
- Identify a family game like cricket, football, volleyball, etc. and play with your child every weekend.

Get Close to Nature

Take your child for regular morning walk to breathe in fresh air. Make him aware of the benefits of morning walk and tell him/her about different types of plants, flowers and birds so he/she can generate love for nature.

Values We Nurture!

Getting kids to complete tasks of everyday living is important to their development. Helping your child to identify their part of their daily routine is one step towards practicing independence and responsibility.
